To Whom It May Concern:

My name is Sean Tienhaara, and I am the senior pastor of Vineyard Community Church. I am also the pastor of Steven and Amanda Potaczek, the leaders of *1000 generations*. Both Steven and Amanda are on staff here at the church where they have served as our worship pastors for the last four years. Both have exhibited a great level of integrity in their relationship with God and others in the community. It has been and continues to be a joy to work with a couple that is not only gifted in the area of worship but also is passionately in love with Jesus.

Their music is both highly worshipful and professionally crafted. With this said, I believe that *1000 generations* is not just another band trying to find a market. Their passion is ministry. I believe that through their ministry the kingdom of God will be furthered.

Sincerely,
Sean Tienhaara
Senior Pastor
