Written By Steven and Amanda Potaczek, copyright 2006 simplistic records

Eb Bb
Do You love me still?

Cm Ab
Do You want me still?

Eb Bb Cm Ab
Will You wait till I break my own heart?

Cm Fm Ab Bb
How could it be that I have, be that I have lost my love for You?

Cm Fm Ab Bb
Was something so enticing, so inviting that I turned from You?

Eb Bb Cm Ab
Feeling this shame, I can hardly speak as I have looked away

Eb Bb Cm Ab Fm
I've taken Your love, but I closed my heart so the only parts that I let through,

Ab
are what I need from You

Eb Bb
Do You love me still?

Cm Ab
Do You want me still?

Eb Bb Cm Ab
Will You wait till I break my own heart?

Cm Fm Ab Bb
Now I am feeling that I'm, feeling that I've lost the only way

Cm Fm Ab Bb
So worried that I was not, what they'd want that, from You I have strayed

Eb Bb Cm Ab
And now I see that I've traded who I am for lesser things

Eb Bb Cm Ab Fm
Assuming that love, it would come when I was what they wanted me to be

Ab
What I could never be...

Eb Bb
Do You love me still?

Cm Ab
Do You want me still?

Eb Bb Cm Ab
Will You wait till I break my own heart?

Eb Bb
I know that Your love could lose

Cm Ab
Just to let me choose

Eb Bb Cm Ab
(so) Will You wait till I break my own heart?
