

SONG FORMAT: Intro/Verse/Pre/Verse/Pre/Chorus/Verse/Pre/Chorus/Chorus/Bridge/Chorus/Outro

INTRO: A D A/C# E (spelling chords in bass in verses—i.e.: **A=A C# E**)

When I am up on the mountain high,
I know that I start wanderin' round,
Taken back by the place I'm at,
I run ahead, then find that You are nowhere to be found
And then it all comes crashing down
And I see the only reason
That I ever stood on this ground is that
A D A/C# E F#m D A/C# E
You are faithful, You are faithful!

(and then) When I am down in the valley low,
I cannot help but be afraid,
Cause when I start sinking, all I'm thinking,
Is I've got to get my head above these waves,
But it's never by my power, and it's never by my strength
(that I'd ever get out of this place) cause
A D A/C# E F#m D A/C# E (STOP!)
You are faithful, You are faithful!

A D E
Help me to keep my eyes on You,
A D E
Help me to set my focus straight,
A D E
Help me to stay beside You,
A D A/C# E (back to verse chords)
And help me with patience while I wait ...

(When) Everything in this simple life
Gets turned around and out of line
And all I seek is for things that please me then
Confusion is the only thing I find
And the trouble in my mind,
(It) lets me know that I can't go ahead
without You in my life, I see that...
A D A/C# E F#m D A/C# E (STOP!)
You are faithful, You are faithful!
