

Full of Love

Written By Steven Potaczek, copyright 2006 simplistic records

Riff on G/B C D Em7

Sometimes I just want to curl up into a ball and lock the
Door to my room and tell you where I am
Father I need you now, Jesus I need you now
To lift up and carry me

Sometimes I just need to lay down, face on the carpet, let the
Tears start to flow until they drench the ground
Spirit I need you now, God I really need you now
To come and rescue me

A G/B G D/F#
You are the Shepard, searching for his sheep,
A G/B G D/F#
You are the woman, looking for her silver piece
A G/B G D/F#,
You are the father who watches and waits,
A G/B G D/F#
Waits for me to come...

A G/B G D/F#
Oh, I am yours!
A G/B G D/F#
You run to meet me, You run to meet me...
A G/B G D/F#
Cause I am yours!
A G/B G D/F# A G/B G
And Your arms are full of love, yes Your arms are full of love.

(same as v1)
Sometimes I just need to hear you speak to me clearly, let me
Hear all the songs that you sing over me

(same as pre1)
You are the Shepard, searching for his sheep,
You are the woman, looking for her silver piece,
You are the father of this prodigal son,
And You wait for me to come...

CHORUS
