

## Not of Our Hands

Written By Steven Potaczek, copyright 2006 simplistic records

D            A            G  
Let this be not of our hands, but by Your Spirit  
D            A            G  
Let this be not of our hands, but by Your Spirit!

D  
Lord we don't, want to move, without You  
G                            D  
No we don't want to work in vain  
Lord you know we want to be used, by You  
G    D  
But we don't want anything built in our strength

G  
Cause we don't want to move,  
D/F#                            Bm7    A  
We don't want to move, without You  
G  
No, we don't want to move,  
D/F#                            A  
Don't want to move, without You!

D            A            G  
Let this be not of our hands, but by Your Spirit  
D            A            G  
Let this be not of our hands, but by Your Spirit  
Bm                            D/F#                            G  
Cause we don't want to move, don't want to move, without You  
Bm                            D/F#                            A  
We don't want to move, don't want to move, without You!

(same as v1)  
Lord, You know we don't want to go before You,  
No we don't, want to keep running  
So Lord we pray that we will stay found in you,  
For without you we cannot do anything

G  
Oh we don't want to move,  
D/F#  
We don't want to move,  
C                            (stop)  
Don't want want to move, without You!

G                            D/F#  
*It's not by power, not by strength,*  
Bm7                            A  
*But through Your Spirit and by Your grace,*  
G                            D/F#                            A  
*If it's on our hearts, we'll be on our face!*
