INTRO: F# C# D#m B

F# C# D#m B
I have lost my interest in this world, and it has lost its interest in me
F# C# F#/A# B
I have no desire for earthly things, no they could never, ever bring
F# C# D#m B
The joy that only comes from knowing the one and only awesome God
F# C# F#/A# B G#m F#/A# B C#
And now I hope a little bit's showing, the TV ads and fashion fads got one big problem...

F# C# D#m B
I'm obsessed with the awesome things of God, Obsessed with the love He has for me
F# C# F#/A# B
I'm blessed knowing that the one thing I possess is the Ghost that sets you free
F# C# D#m B
Untainted by the rust and moths, and painted with the blood of the Son of God
G#m F#/A# B C#
I'm praying, singing, meditating, praising, stating, all I'm saying is I stress I confess,
F# (back to intro chords)
I'm obsessed!

F# C# D#m B
I have no desire to hear man's praise, and they have no desire to praise me
F# C# F#/A# B (STOP!)
I possess no lust to be approved for every single little thing I do
F# C# D#m B
The only voice I long to hear is, the voice of the living God
F# C# F#/A# B G#m F#/A# B C#
So even now as I'm singing this song, let it be known who my zeal and my praise is for...
