

Only In Weakness

Written By Steven Potaczek, copyright 2006 simplistic records

G2 Em2 C2

I open up my heart

G2 Em2 C2

When I loose my mouth and let confessions pour out

G2 Em2 C2

I vulnerably commune with You just as I am when

G2 Em2 C2

I open up my heart

(same as v1)

I lay down all my pride

I will hold nothing back, no nothing I'll hide

Cause I want to have Your strength instead of mine, so

I lay down all my pride

D G C

It's only in weakness can You be strong

D G C

In honesty is where my praises belong

D G C D G C

You call me deep, and deep I come to worship You

(same as v1)

I will undress my soul

I'll show You everything cause I want You to know

That I am Yours and Yours alone, so

I will undress my soul

(same as ch)

With my mouth, with my heart, with my life, and my soul

With my love, and my adoration
